The purpose of this memo is to notify you that the incentive funding for **Health Insurance Reporting** under the Income Maintenance Contracts (Section 1.6 of Appendix F for county agencies and Appendix G for tribal agencies) and **Community Aids Reporting** Profile #933 for Child Support Agencies will no longer be paid by DHFS, beginning July 1, 2001. The source of this funding is being eliminated for State Fiscal Year 2002 (July 1, 2001 through June 30, 2002) as part of the DHFS plan to meet the 5 percent State operations reduction required by the 01-03 biennial budget. Under the contracts between local agencies and DWD/DHFS, payments are contingent upon the availability of these funds.

This does not diminish the statutory obligation of each County to report all health care information that identifies medical assistance applicants and recipients who have other health care coverage in the CARES system.
